

Training and Production Studio for Hire Rates for 2017

Golden Days Radio has for hire a fully air-conditioned studio available to production houses to produce programmes, advertorials and even telephone interviews.

The studio can be hired with or without our experienced in-house production personnel who can take the worry out of this end of the project.

The studio is available at various times during the week and of course must be pre-booked and pre-paid.

The studio is equipped with:

- 3 AKG Condenser microphones so that more than one person can be recorded at the same time
- Ergonomic chairs
- State of the art computer recording equipment
- Editing of the recording via Cool-Edit program
- MP3 recording facilities

Your finished product can be made available on CD.

Background and "mood music" is available to enhance your recording.

The costs:

Half-day hire (4 hours): \$500-00

Full day hire (8 hours): \$1,000-00

Production personnel: \$100-00 per hour

Location:

1st floor, 1236 Glen Huntly Road, Glen Huntly 3163 (near Grange Road). Trams stop outside the door and Glen Huntly railway station is only a few hundred metres away.

For further information, please contact the Station on 9572 1466 or email the station: mail@goldendaysradio.com
