

GOLDEN DAYS RADIO – Corporate Governance

The corporate governance of Golden Days Radio is based on the Codes of Practice of the Community Broadcasting Association of Australia.

GDR regularly reviews all governance documents including our constitution to ensure that they meet our requirements and regulatory obligations.

GDR will ensure that these documents are freely available to people who attend the studios and are also on our website.

GDR will ensure that all volunteers are made aware of the Code of Conduct, and their legal obligations and copies are available for their reference.
